THAI FOOT SPA & REFLEXOLOGY *Complete relief for tired feet*

Stand up against tired feet! A treat suitable for all ages, our Thai foot spa and massage applies foot reflexology methods to relieve tension in the feet. Foot Reflexology stimulates the nerve system by pressing on the reflex points located in the sole of the foot. These reflex points correspond to every organ and system within your body and stimulation opens energy pathways that may be blocked or congested. Regular foot reflexology is known to bring relief to those who suffer various illness and it is certainly beneficial to anyone who likes a foot massage.

HERBAL STEAM THERAPY ...

... allows the therapeutic properties of the herbs, when diffused with steam and inhaled, to help promote deep breathing improve blood circulation and draw out toxins from the body. It also serves to clean and open up the skin pores before the body scrub. It can also be beneficial prior to some spa massages offered.

BODY SCRUB OF YOUR CHOICE

Cleansing ◦ revitalizing ◦ nourishing

Following your Herbal Steam Therapy above, select one of the following body scrubs:

1) Green Tea Skin Purifier Scrub

Green Tea is well-known for its anti-oxidant contents to fight against free radical from the pollution we face with urban life style today. Micro-granules refine and smooth the skin. Neroli and Ylang Ylang essential oil helps to regenerate new skin cells and soften the skin leaving the skin with a nice aroma.

2) Cucumber Aloe Vera Hydrating Peel Scrub

Regain your natural skin to be as radiant, soft and smooth as it can be, with a fresh pleasing aroma. Cucumber extract is calming and moisturizes the skin. Aloe Vera is cool and gel-like, a soothing tropical remedy for minor burns. Coconut oil is emollient and hydrates the skin.

3) Siam Bouquet Exotic Peel Scrub

This deep cleansing body scrub exfoliates the epidermis through the use of a natural loofah. With this treatment the skin becomes supple and scented with a mild, yet exotic aroma of Jasmine, Ylang Ylang and Patchouli pure essential oils, said to help regenerate new skin cells.

4) Lavender-Orange Aroma Oil and Salt Scrub

Sea salt is infused with the natural aroma of Lavender and Orange pure essential oils for this scrub. With the added skin nourishing ingredients of grape seed oil, sweet almond oil and Vitamin E, it will help remove dead skin cells and leave your skin feeling all aglow.
